2011-12

BRIDGE BUILDER
trust • mk

• Educating young people in Christian faith and values •

Bridgebuilder Trust has established a well-respected schools ministry in the Milton Keynes area. The main thrust of our work is through direct involvement in schools by the Schools Workers and Voluntary Schools Workers. As well as lessons and assemblies, there are also special projects such as **Biblos, JesusQuest, Christmas and Easter Cracked and Lifepath.** In addition **The M.O.U.S.E. Team** helps primary children in their move up to secondary school.

Each week we hold schools in our prayers in a special way. You are invited to join us by using this prayer cycle, which will help you to pray for every school in the area over the course of a year.

Will you become a Bridgebuilder?

Bridgebuilders are those very important people who support the Trust with finances and prayer. Thank you that by using this prayer cycle you are supporting local schools. Please also remember the Bridgebuilder Trust itself, especially:

Rosie Harriott—Team Leader and Secondary Schools Worker
 Gill Bull-Mott—Office Manager
 Rachel Foster—Primary Schools Worker
 Tony McGinley—CYM placement student
 Lex Bradley—CYM placement student
 The Voluntary Schools Workers and the volunteers who work with them to deliver our projects, and those in the office.

We always need more volunteers and trust representatives in churches. If you'd like to be a Bridgebuilder, contact Gill at the address overleaf.

If you feel you would like to help us financially we would be very grateful. Contact Gill or visit our website for a donations form, or go to www.justgiving.com/mkbt
